Dear Dr. Fletcher:

It is with great pleasure that I join your family, friends and colleagues in offering you my best wishes upon your retirement from your distinguished career as an educator and lawyer.

For more than two decades you have displayed a great commitment to the legal profession and have made outstanding contributions to the field of education and to the students you have taught. Your passion for teaching coupled with your leadership and enthusiasm serves as an inspiration to us all. Although your presence will be truly missed, please know that your important work has made a lasting impact not only on the students who have passed through your doors, but on the community as well.

As your United States Senator representing the State of California, I thank you for your outstanding service and wish you good health and happiness during your well-deserved retirement years.

With warmest personal regards.

Sincerely yours,
